COULD YOU EQUIP A ROOM TO CHANGE THE LIVES OF LOCAL YOUNG PEOPLE?

Youth Talk is moving into a new, bigger home. We now desperately need to turn the current cold empty rooms into warm, friendly counselling spaces where young people can talk in confidence.

Our bigger home will enable Youth Talk to grow and say yes to more local young people reaching out for support.

This is a time-limited opportunity for:

- just **eight companies (or individuals)** to create a welcoming counselling space for our local young people
- Transform a room for **just £2,000**
- Get your name on our '**Wall of Fame**'

Could you be
one of them?
